 ND=Not Detected, NR=Not Reported, LOD=Limit of Detection, LOQ=Limit of Quantitation. This product has been tested by One Bond Laboratories, using valid testing methodologies and a quality system as required by state law. Values reported relate only to the product tested and batched under the batch number identified above. One Bond Laboratories makes no claims as to the efficacy, safety, or other risks associated with any detected or non-detected level of any compounds reported herein. This Certificate must not be altered, and shall not be reproduced except in full, without the written approval of One Bond Laboratories. All results, numerical and non-numerical, are reported in accordance with the state of Ohio regulations. Uncertainties are available upon client request. Uncertainties do not determine a Pass/Fail result in accordance with the state of Ohio regulations.
